

## Valve Mounting Kits and Valve Adaptors

### Valve Mounting Kits

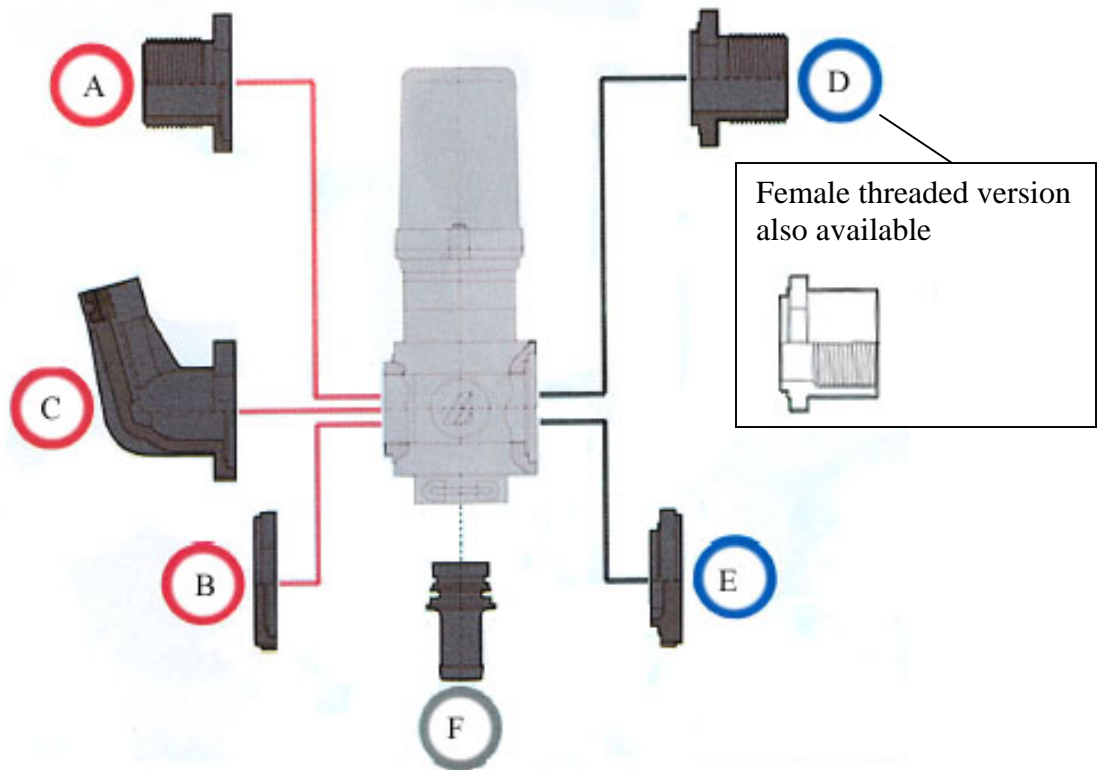

To make up your own bank of 2-wire or 3-wire motor valves, order the following kits depending upon the number of valves to be used.

Part Number	Description	Length
A463000.920	Kit for 2 valves	150mm
A463000.930	Kit for 3 valves	207mm
A463000.940	Kit for 4 valves	264mm
A463000.950	Kit for 5 valves	321mm
A463000.970	Kit for 7 valves	436mm

## Valve Adaptors

On the inlet and outlet of each motor valve there is a range of adaptors and fittings commonly used in conjunction with the valve mounting kits.

Location	Part Number	Description
A	A463000.130	¾" poly flange adapter male threaded
A	A463000.140	1" poly flange adapter male threaded
A	A463000.150	1 ¼" poly flange adapter male threaded
A	A463000H.130	¾" brass flange adapter male threaded
B	A463011.120	Closed adapter
C	A463011.130	Pressure gauge adapter with ¼" gauge connection
D	A463000.030	¾" poly flange adapter male threaded
D	A463000.040	1" poly flange adapter male threaded
D	A463000.050	1 ¼" poly flange adapter male threaded
D	A463000.032	¾" poly flange adapter female threaded
D	A463000.042	1" poly flange adapter female threaded
E	A463011.110	Closed adapter
F	A463001.110	10mm poly hose tail
F	A463001.113	13mm poly hose tail
F	A463001.116	16mm poly hose tail
F	A463001.119	19mm poly hose tail
F	A463001.125M	25mm poly hose tail
